The Comisaria General de Orden Publico of the DGS issued the following instructions to Comisariats in Madrid on 8 March 1950:

Because of the numerous cases of desertions from the army and of draft dodgers not reporting for military service, the following procedure will be followed in the course of any official business or proceeding:

Should any individual concerned in the matter, be he complainant, witness or an applicant for a printed form, appear to be of military age, his home address will be verified and a check made with the Central Archives to determine if he was sought by any Recruiting Office or regiment as a draft evader or deserter.
